

Mingle & Makeup

Hey Guys!

Let's spill the beans on why "Mingle & Makeup" is more than just an event. As the founder of Rheglo and a Makeup Artist, I've struggled breaking into the industry and forming meaningful connections.

★ Why I'm Bringing Us Together:

💛 *Building Connections:* Networking can be tough, especially when you're a Makeup Artist, Beauty Blogger, in general the Makeup World. I've been there, and I want to create a space where we can connect, share, and grow together. Mingle & Makeup is your safe place to foster friendships that last beyond the event.

💡 *From Beginner to Boss:* Starting out with no connections was a challenge I faced, and I want to make that journey smoother for you. Mingle & Makeup is not just an event; it's a resource hub where you can learn, seek advice, and be inspired, no matter where you are in your makeup journey. Brace yourself for an insightful panel featuring three diverse expert speakers, each a powerhouse in their own makeup realm. From industry insights to insider tips, they've got the scoop to answer ALL the burning questions you've ever had! Don't miss out on the GLAM FAM gathering!!!

🌈 *A Welcoming Community:* Mingle & Makeup isn't just a one-time event; it's the start of a community where you can feel welcomed, valued, and understood. Let's create a space where beauty knows no boundaries and where you can be your authentic, fabulous self.

Let's create a community where makeup is OUR language of love!

P.S. Can't wait to meet you and share this beauty-filled journey. Let's create magic together!

With Love,
Rhe xxx
